## HYDRO Systems: First choice service partner for Didsbury's hoists

"We are pleased to expand our cooperation with Didsbury. Thanks to our 12 service stations around the world HYDRO is close to its customers and guarantees high service level as well as minimal downtime of the hoists", explains Michael Biegert, Executive Vice President Global Service of HYDRO Systems KG.

### 50 years' experience in the aviation industry

Didsbury Engineering (a part of the MEL Group) designs and manufactures world class lifting and mechanical handling devices for the Defence, Civil Aviation and Industrial Safety markets. Through the cooperation Didsbury benefits from HYDRO's experience in supporting the aviation industry for more than 50 years.

### Reliable partner for more than a decade

HYDRO is always available to take care of customers issues. All Stations worldwide are trained and able to fulfill the scope for Didsbury hoists. For more than a decade HYDRO Systems has been a trusted partner of Didsbury and will fulfil servicing according to the highest standards of quality and reliability.
